Together we *know more.*
Together we *do more.*

Dr Falk

Discover a wide range of resources at **drfalk.co.uk**

At Dr Falk, we believe exchanging knowledge is a key factor to advancing treatments.

Over the past 60 years, we've built a wealth of resources to spark conversation, create connections, and improve our collective understanding of digestive and metabolic diseases.

Falk Plus

A new digital platform for healthcare professionals, which makes it simple to connect with your community wherever you are. Register for and attend events including Falk Forums, Symposia and Futures all in one place.

Literature service

A comprehensive collection of educational aids for doctors, nurses and other healthcare professionals, which can be downloaded or delivered to your door.

Publications and updates

A library of Congress Reports, Falk Gastro Reviews and GastroScopes with all the latest updates from international and local Dr Falk events.

Patient support

A variety of downloadable support materials, from educational booklets to videos to smartphone apps, helping patients understand their disease and its treatment.
